Carton H x W x D (cm) 33,5 x 39 x 79  
Carton (cbm) 0,1032

Size EUR	37-38	39-40	41-42	43-44	45-46
Insole length mm	245	257	270	277	297
Foot length cm	24,0	25,2	26,5	27,2	29,2

## DESCRIPTION

Slip-on footwear suitable for use in the food industry, healthcare and leisure activities. The product is made from SEBS, a modern thermoplastic elastomer that has similar properties to rubber. It is flexible, strong, durable, and has excellent heat and UV resistance. The internal channel system ensures that water vapour is wicked away along with sweat and the foot stays dry. The shoe has an antibacterial anatomically shaped insole with special ventilation openings. The shoes can be washed at temperatures up to 90°C.
